SILLY CARS WITH NO LIGHTS

Sometimes cars don't go fast
because they don't want
to get a ticket.

Once all the cars in Rochester
got one ticket
and went to jail.

Cars are bad.

People need to walk
on sidewalks.

I climb the branches
of my favorite tree.
Some trees are used
for firewood.
I like the woods
with trees.
In the morning
I climb them
to get up in my fort.
Here I climb the walls
with my tricycle.
It climbed over
a mountain once.
Together we saw
a donkey.
We chased it
to the hospital.
Here we are.
